73. 23-01286 Authorizing the Mayor-President, on behalf of the Baton Rouge Police Department, to amend the current BRPD AXON Enterprise contract to increase the annual payment by \$301,473.80 for a period of four (4) years for a total cost of \$1,205,894.75. The amendment to the contract will allow the department to replace 450 in-car modems. The modems provide cellular connectivity for in-car laptop computers, GPS location, and video systems to the physical City Parish Network. BRPD was informed by the cellular provider of upgrades to the cellular network that would make current six-year-old modems obsolete. Pairing the new modems with the original AXON contract will save approximately \$393,380 over four years. All other terms and conditions will remain in effect, including options to amend the scope and terms. The amended agreement will be funded by the department's annual operating budget.
