

District 10 Back-to-School Giveaway

District 10 Councilwoman Tara Wicker, in partnership with Walmart, Republic Services, Exxon and Entergy, will host the Annual Back to School Event on **Saturday, October 3, from 11:00 a.m. to 1:00 p.m. at Lighthouse Christian Fellowship Church, 1564 Nicholson Drive.** As the East Baton Rouge Parish School System prepares for full in-person classes, Councilwoman Wicker and District 10 are prepared to help provide students with the necessary supplies to make the transition as seamless as possible. With the continuing effects of the COVID-19 pandemic, it is our goal to help parents and students obtain the needed supplies to relieve them of that added burden.

It is our goal this year to serve up to 250 children, ensuring that they are equipped, excited, and prepared for the school year, whether they are attending school virtually, in-person, or in a hybrid setting.

In keeping with CDC, state and local constraints regarding social distancing and gatherings of large groups, our event will be executed by drive-through pickup. We do not want to let these limitations keep us from serving the District 10 community as we have done for the last 11 years.

Please feel free to contact Councilwoman Tara Wicker at 225-317-1849, if you have any questions or need additional information. Thank you for your consideration and support.
