

District 10 COVID-19 Pop-up Vaccination Clinic

As the nation continues to execute its massive COVID-19 vaccination efforts, we at District 10 are intent on doing our part to help to ensure our community and constituency have access to the vaccine. **Councilwoman Carolyn Coleman** has partnered with **Senator Cleo Fields, the East Baton Rouge Council on Aging, the Louisiana Department of Health and Albertson's** to bring a Pop-up Vaccination Clinic to District 10. "Collaboration is everything!" says Councilwoman Coleman.

The Clinic will be held on **Friday, March 5 from 10:00 AM to 3:00 PM, at the Leo S. Butler Community Center (950 East Washington Street)**. The Clinic will adhere to the LDH eligibility prioritization for administering the vaccine. Currently, those individuals who meet Phase 1A and Phase 1B Tier 1 guidelines may receive the vaccine. An appointment must be made in advance at the following link:
