

## **THE JEWEL J. NEWMAN COMMUNITY CENTER ACCESSIBILITY SURVEY**

**BATON ROUGE, LA** – Center for Planning Excellence (CPEX) is conducting a survey to learn how citizens are able to visit the Jewel J. Newman Community Center. The goal is to find opportunities to improve conditions for walking or biking in the community.

Survey results will be used to recommend potential improvements between Scotlandville and the Jewel J. Newman Community Center to encourage walking and biking.

Citizens are encouraged to take this survey by visiting:

<https://www.surveymonkey.com/r/2PFYNZT>.

To complete the survey in paper form, please stop by the Jewel J. Newman Community Center, located at 2013 Central Road.

Scotlandville area residents that complete the short survey will be entered to win one of ten \$25 gift cards to local businesses!

For more information, contact Center for Planning Excellence at 225-267-6300.
