FOR IMMEDIATE RELEASE

## **STATEMENT FROM BRPD RELATIVE TO ROADWAY OBSTRUCTION**

*BRPD would like to thank all of the officers and EBR Law Enforcement personnel who made sure the Garth Brooks Concert was a safe event. With more than 100,000 attendees, it was a tremendous effort and job well done.*

*We were made aware of individuals involved in reckless driving on College Drive near I-10. Units were on other calls for service and were dispatched to the scene.*

*Officers were able to clear the scene and reopen the roadways. BRPD is aware of these individuals engaging in reckless driving and enforcement action has been taken in the past. We have made arrests, towed vehicles, seized weapons, and issued citations to persons involved in this type of illegal behavior. BRPD investigators are actively investigating this incident.*
