## **Gardere Community Job Fair**

**Baton Rouge, LA** - The Gardere Initiative, in partnership with East Baton Rouge District 3 Metropolitan Councilmember Rowdy Gaudet, is hosting a community job fair featuring numerous local employers offering full-time positions with competitive pay and benefits.

The job fair is set for **Wednesday, September 28, 2022, from 4:30 p.m.-7 p.m.**, at the BREC's Ben Burge Park, located on Elvin Drive.

"Workforce development and career-readiness are two significant challenges we presently face in our community," said Councilmember Gaudet.

"Providing resources in the community and meeting people where they are is how we can tackle these issues head-on and help our residents jump start their careers."

The job fair features several local employers currently seeking candidates for job vacancies. Job seekers who attend the job fair will get an opportunity to speak with prospective employers and apply for currently available positions directly from representatives from the following organizations:

- Associated Grocers
- BREC
- City of Baton Rouge / Parish of East Baton Rouge
- Capital Area Transit System
- Division of Human Development & Services
- East Baton Rouge Council on Aging
- East Baton Rouge Parish School System
- East Baton Rouge Parish Sheriff's Office
- HES Facilities Management
