

FUTUREBR COMMUNITY MEETING AT SCOTLANDVILLE LIBRARY

Baton Rouge, LA — The Baton Rouge’s City-Parish Planning Commission has begun the 5-year update to FUTUREBR, the Comprehensive Master Plan for our city-parish. Metro Councilwoman Chauna Banks is encouraging all community members to participate in this plan update process.

An Open House will be 5-7 p.m. Tuesday, July 11, 2023, at Scotlandville Branch Library, 7373 Scenic Highway, Baton Rouge, LA 70807. We are also asking the community to take a survey to help make our city a better place to live, work, and play.

The survey can be found at brla.gov/futurebr/survey. Results of this survey will be analyzed and documented for use in creating the updates to FUTUREBR. Community participation is a valuable resource. The survey should take 5 to 10 minutes to complete.
