

Metropolitan Councilwoman Chauna Banks Hosts Annual K-12, College & Career Community Day

Baton Rouge, LA — Metropolitan Councilwoman Chauna Banks invites the District 2 community to attend this year's Annual K-12, College and Career Community Day, August 12, from 10 a.m.-2 p.m., at the Jewel J. Newman Community Center, 2013 Central Rd., Baton Rouge. Students, parents, job seekers, vendors, and employers are all welcomed to gather for networking and giveaways targeting the entire family for the upcoming school year!

We want our children to return to school equipped with school supplies, toiletries, and backpacks. Our college and career individuals will find useful informational sessions on job readiness and funding available for workforce development, training, and local job vacancies. We always want to support our local small businesses, offering a variety of products and services, as well including a voter registration.
