

Free Heartworm Clinic Aims to Protect Pets in Baton Rouge

Baton Rouge, LA – In an effort to safeguard the health and well-being of our furry companions, a Free Heartworm Clinic is set to take place on Saturday, January 20, 2024, from 8 am to 11 am at the Charles R. Kelly Community Center located at 3535 Riley Street, Baton Rouge, LA 70805.

The clinic made possible by the generous support of Councilman Darryl Hurst, Pets for Life, The Inner Pup, LSU School of Veterinary Medicine, and Petco Love, will offer essential services to pet owners. Among the clinic services provided is the PROHEART12 Injection Package, which includes a 12-month heartworm prevention injection and a Heartworm Test.

In addition to the medical services, attendees can look forward to exciting giveaways and freebies.

The Free Heartworm Clinic is a joint effort to raise awareness about the importance of heartworm prevention and to make these essential services accessible to all pet owners in the Baton Rouge community.
