Appendix H
PERMISSIBLE USES
A1 Single Family Residential District (See Section 8.201)

Permitted Uses

- Agricultural or farming activities
- Single family dwellings with a maximum density of 4.1 dwellings per acre
- Conservation Areas, nature or game
- Country clubs – A site of at least five (5) acres with all activities and parking to be kept at least fifty (50) feet from side and rear property lines.
- Golf courses, ancillary facilities including club house, pro shop, restaurant, and maintenance facilities
- Governmental buildings and facilities, Police, Fire, EMS, libraries, Post Office, offices and other facilities utilized for governmental functions and activities.
- Historic site tours and exhibitions-site or structures must be listed on the National Register of Historic Places. All parking areas must be completely screened (see parking screening in Appendix D) from the street and adjacent residences.
- Home occupations
- Hospitals – Site must be at least ten (10) acres or more and buildings shall not occupy more than ten (10) percent of the site area, and that buildings be setback from all yard lines a distance of at least one foot for each foot of building height. Must be located on a major street.
- Public open spaces
- Public parks
- Railroad passenger terminals
- Railroad rights-of-way with tracks and auxiliary facilities for track operation (but not including passenger stations, freight terminals, switching and classification yards, repair shops, roundhouses, power houses and fueling, or other maintenance uses).

Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)

- Bed and breakfast home – Limited to four (4) guestrooms within National Register Historic Districts or Sites or homes listed on the National Register of Historic Places or within homes a minimum of fifty (50) years old. All parking areas must be completely screened (see parking screening in Appendix D) from the street and adjacent residences. No signage is allowed. Must be owner occupied. Shall be located on a lot or tract with a minimum size of one acre. Guests are limited to a maximum stay of seven consecutive days. Homes that qualify based upon the fifty (50) year old requirement shall not be located within a recognized residential subdivision unless the lot has frontage on a designated major street.
- Cemeteries, columbaria and mausoleums – Must be located on a major street. Shall not be located within a recognized residential subdivision.
- Childcare centers – Enrollment is limited to ten children. Hours of operation are between 6:30 a.m. and 6:30 p.m. A six (6) foot solid wooden fence is required between adjacent residences and outdoor play areas. No signage is allowed. Must be owner occupied. All parking areas must be completely screened (see parking screening in Appendix D) from the street and adjacent residences. Shall not be located within a recognized residential subdivision.
- Educational, religious, and philanthropic institutions – Plan Review is required for all such uses. Site Plan criteria shall be submitted as required in Section 4.101 Plan Review of the Unified Development Code.
Permitted Uses
- Single family dwellings with a maximum density of 5.8 dwellings per acre
- All permitted uses in the A1 District

Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)
- All conditional uses in the A1 District
- Garage apartments – Limited to one (1) dwelling unit. The building shall be set back ten (10) feet from all side and rear lot lines. The lot shall contain a minimum of ten thousand (10,000) square feet. Maximum size of the unit is five hundred (500) square feet.

A2.1 Zero Lot Line Residential District (See Section 8.202.1)

Permitted Uses
- “Zero lot line” single family dwellings at a density of 7.9 units per acre

Conditional Uses
- None

A2.5 Town homes District (See Section 8.202.2)

Permitted Uses
- Town homes with a maximum density of 11.5 units per acre
- Churches, schools, public buildings, recreational facilities, and other accessory uses normally compatible with surrounding residential development.

Conditional Uses
- None

A2.6 Zero Lot Line Residential District (See Section 8.202.3)

Permitted Uses
- “Zero lot line” single family dwellings at a maximum density of 11.5 units per acre

Conditional Uses
- None

A2.7 Single Family Residential District (See Section 8.202.4)

Permitted Uses
- Single family detached dwellings with a maximum density of 7.3 units per acre.
- All uses permitted in the A1 Single Family Residential District.
- Accessory uses normally compatible with surrounding low density residential development.

Conditional Uses
- All conditional uses in the A1 District
A2.9 Two Family Residential District (See Section 8.202.5)

**Permitted Uses**
- All uses permitted in the A1, A2, and A2.7 Zoning Districts.
- Two family attached dwellings
- Childcare centers
- Educational, religious, and philanthropic institutions
- Accessory uses normally compatible with surrounding low density residential development.

**Conditional Uses**
- All conditional uses in the A1 District

A3.1 Limited Residential District (See Section 8.203.1)

**Permitted Uses**
- Multi-family residential development and institutional uses of a residential character with a maximum density of 11.5 units per acre.
- Apartments
- Apartment hotels
- Assisted living facilities
- Bed and breakfast home – limited to a maximum of four (4) guestrooms (See Chapter 2 Definitions).
- Bed and breakfast inns – limited to a maximum of ten (10) guestrooms (See Chapter 2 Definitions).
- Child care centers
- Churches, Sunday schools, parish houses and other places of worship
- Country clubs
- Credit union offices for students and teachers when located adjacent or contiguous to a campus
- Educational, religious, and philanthropic institutions
- Fraternal lodges
- Fraternities
- Garage apartments
- Lodging houses
- Nursing homes
- Railroad passenger terminals
- Sororities
- Special homes
- Town homes
- Zero lot line residential
- All uses permitted in the A1 Zoning District

**Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)**
- **Country clubs with alcohol** – Must be approved for alcohol license by Alcohol and Beverage Control Board. Structures where alcohol is served must be a minimum of 500 feet from the property line of any existing single family residence, school, park, church or library.
- **Cemeteries, columbaria and mausoleums** – Must be located on a major street. Shall not be located within a recognized residential subdivision.
• **Fraternal lodges with alcohol** – Must be approved for alcohol license by Alcohol and Beverage Control Board. Structures where alcohol is served must be a minimum of 500 feet from the property line of any existing single family residence, school, park, church or library. Shall not be located within a recognized residential subdivision.

**Appendix H - Permissible Uses**

A3.2 Limited Residential District (See Section 8.203.2)

**Permitted Uses**
- Multi-family residential development and institutional uses of a residential character with a maximum density of 17.4 dwelling units per acre
- All permitted uses in the A3.1 District

**Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)**
- All conditional uses in the A3.1 District

A3.3 Limited Residential District (See Section 8.203.3)

**Permitted Uses**
- Multi-family residential development with a maximum density of 29 dwelling units per acre
- All permitted uses in the A3.1 District

**Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)**
- All conditional uses in the A3.1 District

A4 General Residential District (See Section 8.204)

**Permitted Uses**
- Compact multi-family residential developments with a maximum density of 43.6 dwelling units per acre
- All permitted uses in the A3.3 District

**Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)**
- All conditional uses in the A3.1 District

A5 Hi-Rise Apartment District (See Section 8.205)

**Permitted Uses**
- High density residential development with a maximum density of 87.1 dwelling units per acre
- All permitted uses in the A3.3 District

**Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)**
- All conditional uses in the A3.1 District

H Historic District (See Section 8.206)

**Permitted Uses**
- Any use permitted in the A3 Districts, plus those related and compatible uses such as art galleries, offices, specialty shops, and the like.
Conditional Uses
- None

B Off-Street Parking District (See Section 8.207)

Permitted Uses
- Off-street parking
- Parking facilities, multi-level
- Parking lots

Conditional Uses
- None

B1 Transition District (See Section 8.208)

Permitted Uses
- Any uses permitted in A1-A5 Districts on properties zoned B1 prior to December 14, 1982 or which had existing structures built prior to December 14, 1982 on properties zoned B1 after December 14, 1982
- Antique shops not to exceed 500 square feet of floor area with no goods or merchandise to be stored or displayed outside of the building.
- Apartment hotels (See Section 8.208)
- Art studio – No outside production or storage.
- Arts and crafts schools
- Banks
- Film and sound editing
- Governmental buildings and facilities, Police, Fire, EMS, libraries, Post Office, offices and other facilities utilized for governmental functions and activities.
- Home occupations
- Medical clinics
- Offices
- Off-street parking
- Parking facilities, multi-level
- Parking lots
- Personal service shops

**Rural District (See Section 8.213)**

**Permitted Uses**

• Agricultural or farming activities
• Single family dwellings
• Conservation Areas, nature or game
• Country clubs – A site of at least five (5) acres with all activities and parking to be kept at least 50 feet from side and rear property lines.
• Golf courses, ancillary facilities including club house, pro shop, restaurant, and maintenance facilities
• Governmental buildings and facilities, Police, Fire, EMS, libraries, Post Office, offices and other facilities utilized for governmental functions and activities.
• Historic site tours and exhibitions – site or structures must be listed on the National Register of Historic Places. All parking areas must be completely screened (see parking screening in Appendix D) from the street and adjacent residences.
• Grain elevators
• Home occupations
• Hospitals – Site must be at least ten (10) acres or more and buildings shall not occupy more than ten (10) percent of the site area, and that buildings be setback from all yard lines a distance of at least one foot for each foot of building height. Must be located on a major street.
• Mobile homes – See Section 8.213 special requirements.
• Public open spaces
• Public parks
• Railroad passenger terminals
• Railroad rights-of-way with tracks and auxiliary facilities for track operation (but not including passenger stations, freight terminals, switching and classification yards, repair shops, roundhouses, power houses and fueling, or other maintenance uses).
• Roadside sale of fruits and vegetables grown on the site where offered for sale
• Storage of farm products

Conditional Uses (See Section 4.101 – Site Plan Review and Section 8.106 Conditional Uses)

1. Above Ground Pipeline facility – for the transport of product (but not including storage of bulk materials) with land area containing more than one-half acre.
   a. Height of Facility: Six feet or less
      Set Backs: 50-feet from property line of existing residential use
      Landscape Requirement: Required Bufferyard A and Six foot fence adjacent to existing residential use.
   b. Height of Facility: Six to Ten feet
      Set Backs: 50 feet from property line of existing residential use
      Landscape Requirement: Required Bufferyard A and Eight foot fence adjacent to existing residential use.
   c. Height of Facility: Over ten feet
      Set Backs: 75 feet from property line of existing residential use
      Landscape Requirement: Required Bufferyard A and Eight foot fence.
      100 feet from property line of existing Commercial Use, required Bufferyard A with six-foot fence.
      Over 100 feet from property line of existing Commercial Use, required Bufferyard A with no fence.

2. Bed and Breakfast
   a. Shall be located on a lot or tract with a minimum size of one acre.
   b. Must be owner occupied unless located on a tract of five acres or more.
   c. Homes that qualify based upon the 50 year old requirement and are not within a designated historic district or site shall not be located within a recognized residential subdivision unless the lot has frontage on a designated major street.
   d. Limited to four guestrooms
   e. All parking areas shall be completely screened from the street and adjacent residences.
   f. Guests are limited to a maximum stay of seven consecutive days.

3. Cemeteries, Columbaria and Mausoleums
a. Must be located on a major street.

b. Shall not be located within a recognized residential subdivision.

4. Commercial Horse Stables and Equestrian Facilities
   Shall not be located within a recognized residential subdivision.

5. Care Centers
   a. Shall not be located within a recognized residential subdivision.
   b. Shall be within an owner-occupied house.
   c. May only operate between 6:30 a.m. and 6:30 p.m.
   d. A six foot solid wooden fence shall be provided between adjacent residences and outdoor play areas.
   e. All parking areas shall be completely screened from the street and adjacent residences.

6. Educational, Religious, and Philanthropic Institutions

7. Reception Halls with Alcohol
   a. Shall not be located within a recognized residential subdivision.
   b. Shall require approval by the Metropolitan Council as a Major Conditional Use.

8. Reception Halls without Alcohol
   Shall not be located within a recognized residential subdivision.

9. Respite Care Center
   a. Shall not be located within a recognized residential subdivision.
   b. All parking areas shall be completely screened from the street and adjacent residences

10. Shooting Ranges, Indoor
    Shall be located at least 300 feet from the boundary of any residentially used property.

11. Shooting Ranges, Outdoor including Skeet Shooting Ranges
    a. A minimum of 45 acres shall be required.
    b. All shooting stations, targets, and firing lines shall be at least ½ mile (2,640 feet) from any existing day care facility, educational or religious institution, or occupied dwelling.
c. The entire perimeter of the property shall be enclosed within a fence designed to restrict access to the designated shooting area.

d. Properties where target shooting is proposed to be permitted shall comply with the following regulations, in addition to those listed above:

(1) The perimeter of the designated shooting area shall be planted with a buffer consisting of at least three staggered rows of a mix of evergreen and deciduous trees, understory bushes, and grasses planted as a series of windbreaks.

(2) An embankment consisting of a core material of compacted soil, rock, or crushed cement covered by rock-free earth and planted with grasses shall be provided along the entire length of any target line to serve as a backstop. The embankment shall be not less than 20 feet in height and not less than four feet in thickness at the top. It shall maintain a 1:1 slope or be terraced with timber or log retaining walls and shall be topped with an earthen mound.”

12. Snowball stands

a. Shall be a seasonal business that operates between April 1 and October 31 that is limited exclusively to the sale of snowballs.

b. Shall not be located within a recognized residential subdivision unless located on a designated major street.

c. Shall be located in a structure no more than 200 square feet in area that meets all required setbacks.

d. All parking areas shall be completely screened from the street and adjacent residences.

e. Signage shall be limited to one wall sign per street frontage with a maximum size of 20 square feet.

13. Wireless transmitting and receiving facilities

RE/A 1 Residential Estate/Agriculture One District (See Section 8.213(a)(1))
