## Employment Application Instructions

Many applicants either have their applications rejected or their scores affected by application errors that may be avoided. The following information is an effort to help you avoid the most common mistakes. **Please read these instructions carefully before submitting your employment application.** Any misrepresentation in this application and/or attachments WILL cause your application to be rejected, your name to be removed from the eligible register and/or subject you to dismissal.

### ➤ General Information

- Apply for positions only if you meet the minimum qualifications for the job. We cannot waive requirements.
- Type or print applications in blue or black ink.
- Application materials must be received by the announced deadline.
- Remember to sign and date your employment application and submit your driver's license and SS Card. Unsigned applications will be rejected.
- A separate employment application is required for each job title for which you are applying.
- Copies of applications are accepted as long as each copy is complete, legible and signed. **Keep a copy for yourself.**
- City-Parish applicants should provide accurate and complete application information regarding employment, education, criminal history, etc.
- Prior to job offer, criminal record checks will be run on all applicants not currently employed with the City-Parish Government. **The following information is required for criminal record checks to be run: SSNO, birth date, driver's license and state in which it was issued, city and state of every employer.**

### ➤ Testing Information

Applications for positions requiring a written examination are submitted during test check-in (please refer to the test calendar.) **Picture identification and proof of social security number are required for entry to all tests.**

If you are applying for any classification that requires a degree or using education to substitute for experience a transcript is **required at the time of application.**

If you are applying for any classification that requires a certification the certification is **required at the time of application.**

Electronic devices are not allowed in the examination room. Examinees found with such a device after the start of the exam will be disqualified and banned from application for 1 year. Further infraction results in a 3 year ban.

The City of Baton Rouge is glad to provide reasonable accommodations to qualifying applicants. In advance of testing, please ask for a Reasonable Accommodation Request form if you wish to request an examination accommodation.

---

### ➤ Veteran's Preference

Please submit your DD214 and proof of service connected disability for veteran's preference points to be awarded. (Six months active duty, not for training, and honorable discharge required.)

---

### ➤ Education, Certification and License Related Information

Educational requirements are met only through accredited institutions. The institutions must be accredited by an agency recognized by the United States Department of Education. Foreign degrees must be converted.

In order for grading points to be credited, **education, certification and similar documents are required.** It is best to provide transcripts in case specific courses are needed. It is also beneficial to bring certificates/diplomas for short courses completed, such as software training, leadership courses, etc.

As you renew licenses and certifications, please bring in updated documentation.

If your college diploma does not specify what your major field of study was, please submit a transcript. Education points may be awarded, in many cases, only if the specific degree is indicated.

It is best to include all levels of higher education documentation because credit may be given for a specific bachelor's degree that would not be evident on a master's diploma.

Even if you did not complete college, it is still beneficial to submit a transcript of completed courses because partial credit may be awarded.

If you are applying for a position that requires a college degree and you either did not complete college, or completed but not in the required field, you must list your major undergraduate subjects and credit hours to be considered for admitting.

---

➤ **Employment Related**

Work history information is used to determine whether you qualify for the job for which you are applying. For some jobs, this section will also be scored to determine part of or your entire grade. To receive credit, you should fill out all blocks for each job listed.

Starting in Job 1, list all periods of employment, beginning with your present or most recent employer and work back.

Title of position held should be your official title and not a working title or multiple titles.

It is especially important that you fill out the beginning and ending dates (month/year) and the average number of hours worked per week for each job listed. If the hours varied, list a range such as "5-15" hours, or "20-40" hours. If you often worked overtime, "40+" is acceptable in the hours box.

**If you held different jobs while working for the same employer (e.g. promotions), treat each change as a separate job using separate blocks and giving specific information for each change.**

Also, describe in detail the specific duties beginning with your primary duties. Job descriptions should include types of software used, specific equipment operated, languages programmed, customer service specifics and other such details.

Preprinted job descriptions are not accepted in place of description of duties on the application form since they do not necessarily reflect your particular position. City-Parish employees should submit proof of working out of class where applicable.

For volunteer work, complete all applicable information and submit a letter on the organization's letterhead specifying the nature of the work, average number of hours worked per week and the beginning and ending dates.

Check your starting and ending dates for accuracy. Look for errors such as employed from 2/6/87-1/4/82 or a date of 14/2/93, or 6/8/19.

Please do not use abbreviations, acronyms or military jargon when describing your duties or listing your job title.

Include specific details such as software used, equipment operated, types of records maintained, etc.

If you cannot fit all the jobs you have held on this application form, ask for supplemental sheets for listing additional jobs (or copy any blank job page).

---

➤ **Application Supplements**

For applications requiring a supplemental questionnaire or experience form, the supplemental form should be consistent with the employment history in your employment application.

If a position requires a license or certification you must have an up-to-date license/certification (e.g. driver's license, EMT, LPN, Arborist) on file with the Human Resources Department to be considered for employment in that position.

*Thank you for your interest in City-Parish employment and good luck in your employment search.* 11/16/15
