

NONMAJOR ENTERPRISE FUNDS

Enterprise funds account for operations: (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Baton Rouge River Center accounts for the operation of a cultural and entertainment center composed of an arena, exhibition hall and theater of performing arts. Principal revenues of the fund are rents, commissions and governmental subsidies.

Greater Baton Rouge Parking Authority accounts for the operation of an off-street parking facility. Principal revenues of the fund are governmental subsidies and automobile parking fees.

Solid Waste Disposal Facility Fund accounts for the provision of solid waste disposal services and operation of the landfill. Principal revenues of the fund are landfill dumping fees.
