2020 BENEFITS GUIDE

Welcome

Welcome to the City of Baton Rouge’s Open Enrollment for all benefits. As you review this guide, you will notice that you have a full array of options for your Benefits. Having choices means that you can select those plans and options best suited to your family’s particular needs. To make informed choices regarding your benefits, please take the time to learn about the features of the various new plan offerings by reviewing this brochure as well as meeting with a benefit counselor at your location to enroll or make changes in your insurance plans.

To ensure that employees have a complete understanding on your benefit plans and to help make the choices best suited to your needs, professional benefit counselors from Complete Benefit Alliance (CBA) will conduct one-on-one benefit enrollment sessions with each of our employees. These sessions will be conducted face to face. The benefit counselors will assist each employee during the enrollment process with making changes to personal information, updating beneficiaries and enrolling in the 2020 benefits plan options.

SUPPORT DOCUMENTATION

To add ANY dependents, the City-Parish HR Department must have a copy of the social security card and the documentation to support the new dependent (birth certificates or a letter of verification of birth from the hospital if the birth certificate has not been received, certificate of adoption, or marriage license, etc.). Documentation must be presented to the Enrollment Representative and must be submitted with your changes or additions. **The Enrollment Representatives are not allowed to process any changes to your benefits until such documentation is provided.**

Every employee is asked to update their information, including, but not limited to, address and phone numbers, with the Human Resources Department. Deductions for newly elected benefits are effective January 1, 2020.

This is your open enrollment period. All forms must be submitted as instructed prior to the end of open enrollment. Remember, **ALL CHANGES ARE FINAL!**

DEPENDENT CHILDREN

On health, dental and vision insurance plans offered by the City of Baton Rouge - Parish of East Baton Rouge, dependent children are covered through the end of the month of their 26th birthday regardless of student or marital status.

Dependent age limitation for life coverage may vary. Check with a benefits counselor for details.

ACTIVE EMPLOYEES APPROACHING AGE 65

Active employees/spouses who are approaching age 65 please contact the Payroll and Benefits office at 225-389-3134 before enrolling in Medicare.

Welcome

FAMILY STATUS CHANGES – QUALIFYING EVENTS

The only time you may change your insurance coverage is during the annual Open Enrollment period, unless you have a life changing event or family status change as defined by the IRS. It is your responsibility to report any life changes (Qualifying Events) within 30 days of the family status change (marriage, divorce, birth, adoption, death, etc.). If you do not make these changes within 30 days of the Qualifying Event, your right to make changes is lost. You must come to Human Resources Payroll and Benefits to make this change with the necessary documents. If you have any questions, please contact us at 225-389-3134.

QUALIFYING EVENT	REQUIRED DOCUMENTATION
Marriage	Marriage License, Social Security Card
Divorce	Official Signed Divorce Decree
Birth	Birth Certificate or Hospital Certificate, Social Security Card
Adoption, Custody of Child	Adoption Papers, Final Signed Court Decree, Social Security Card
Overage Dependent	No documentation required
Change in Spouses Employment Status	Letter from Spouse's previous employer stating the type of coverage, who was covered and the date of cancellation.

FOR THOSE OF YOU CONSIDERING RETIREMENT SOON

It is important for you to know what benefits can be taken with you. Please see the information below.

FSA – Once you are retired you can no longer put funds into your FSA. Funds remaining in your FSA account must be spent prior to your retirement or they will be lost.

Basic Life Insurance – Your basic life reduces to \$5,000 at retirement.

Optional Life Insurance – You may request to convert your policy. You must elect to convert within 30 days of your retirement date so that you have plenty of time to review the offer to convert. After the 30 days from your retirement date, your right to convert is lost.

Medical – You may keep your medical plan. You must request to keep this plan through your retirement process. Please contact the Human Resources Payroll and Benefits Office at 225-389-3134 with any Medicare questions prior to retirement.

Dental – You may keep your dental plan. You must request to keep this plan through your retirement process.

Vision – You may elect to keep your vision plan. You must request to keep this plan through your retirement process.

Cancer and Accident - You may elect to keep your cancer and accident insurance. You must request to keep this plan through your retirement process.

INSURANCE VESTING PLAN

The Insurance Vesting Plan determines an employee's premium for health and dental insurance as a retiree. A retiree's premium will be based upon the total "actual" years worked for the City-Parish. Employees covered under health and/or dental insurance as of January 1, 2003 are "grandfathered" and not subject to this plan. Employees with 20 or more years of service are not subject to the Insurance Vesting Plan.

CLOSE TO RETIREMENT?

- You must be enrolled in Medical and/or Dental Insurance 12 months prior to retirement in order to keep the insurance as a retiree.
- Once you or your spouse are Medicare eligible you must provide a copy of your Medicare card to Human Resources.
- As a retiree you must enroll in Medicare Part B if you are eligible for Medicare Part A.

Omada: Diabetes Prevention Program

Take advantage of a brand new health benefit!

Omada is a digital behavior change program that inspires healthy habits you can live with long term. It combines the behavior change science an unwavering support you'll need to lose weight, keep it off and help reduce your risk for type 2 diabetes and heart disease.

Omada Includes:

- Wireless smart scale to monitor your progress
- Professional health coach to keep you on track
- Interactive program that adapts to you
- Weekly online lessons to educate and inspire
- Small group of participates for real-time support

More great news: If you or your adult dependent (18+) are at risk for type 2 diabetes or heart disease and enrolled in a City of Baton Rouge Blue Cross health plan, the cost of this program is covered with no extra cost to you - a \$650 value.

Take a one-minute risk screener to see if you're eligible at www.omadahealth.com/brla.

Ameriflex Flexible Spending Account (FSA)

A "FSA" is an employer-sponsored program offered as part of the Section 125 or Cafeteria Plan where an employee can pay certain expenses (medical or dependent care) on a pre-tax basis and be reimbursed by the program as those expenses are incurred.

If you currently have an FSA, you must reenroll during open enrollment. Your FSA deduction will not carryover to 2020.

"Use It or Lose It" Rule:

This term applies to Flexible Spending Account deductions accumulated in a plan year. If the funds are not used within a plan year, the employee loses this money. Careful planning helps to not "lose it."

Medical Expense:

Qualified medical expenses include vision care, contacts and glasses, dental work, including orthodontics, medical insurance deductibles, co-pays, prescription drugs, and over-the-counter medications. As a general rule, most expenses not reimbursed by your health carrier and expenses to prevent/treat an illness or disease may be qualified medical expenses. Maximum deductions: \$1,250 single or \$2,500 if married and filing jointly.

Over the Counter:

Effective January 01, 2011, The Patient Protection and Affordable Care Act (PPACA) mandates that expenses incurred for over the counter medicines and drugs (with the exception of insulin) will not be eligible for reimbursement under a FSA unless you have a valid prescription. For more information visit AmeriFlex's website: www.flex125.com

Dependent Care Expenses:

A maximum of \$5,000 in dependent care expenses can be paid per year through a Flexible Spending Account. Expenses paid by an employee for the care of dependent children, spouses or parents while they work are governed by Code Sec. 129.

*You must keep all receipts for the expenses incurred for tax purposes.

Debit Card (FSA Convenience Card)

Medical expenses may be paid for with the pre-loaded debit card you will receive once your account is open. Providers who accept Master Card can accept your FSA convenience card.

Flexible Spending Account Frequently Asked Questions

Q: Can I participate in the Flexible Spending Account program while enrolled in the High Deductible Health Plan?

A: Yes, you can enroll in the FSA plan while enrolled in any health plan and can also enroll in the FSA without participating in any City of Baton Rouge health plans.

Q: Can I have both a FSA and HSA in the same plan year?

A: No, but you can have a Dependent Care (FSA) and an HSA.

Q: I am ending my employment; can I use my FSA until the end of the month as I could my HMO plan?

A: No, your FSA will end the day you resign. If you use your card after the term date, you will be responsible for repaying AmeriFlex for the claim that was incurred after the termination date.

Q: My spouse is also a City of Baton Rouge employee, can I elect a FSA and my spouse elect an HSA?

A: No

Q: My spouse is also a City of Baton Rouge employee; can we both enroll in a FSA?

A: Yes, however, you can only enroll in \$1,250 each which will equal \$2,500 which is the family maximum.

Q: Why am I receiving a Substantiation Request every time I use my FSA convenience card at the doctor's office but I don't get them when I use my card at Wal-Mart?

A: The pharmacies and Wal-Mart have a smart reader (IIAS Merchants system) that automatically identifies FSA eligible items whereas doctors do not have such capabilities.

Health Equity Health Savings Account (HSA)

An "HSA" is a bank account set up with pre-tax money deducted from your paycheck and deposited on your behalf if you are enrolled in the High Deductible Health Plan (HDHP). On a voluntary basis, you may deposit up to 100% of your individual or family deductible on your medical plan.

Carryover Rule:

Unlike the FSA, any unspent dollars in your account are rolled over from year to year.

Medical Expense:

Money in this account may be used toward your deductible, or may be used toward many other medically related items or procedures as approved by the Federal Government, which includes treatment or procedures not covered by your health plan, dental work, glasses or contacts, some over the counter medicine etc. Typically excluded are cosmetic or elective services. For more information on specifics of what these funds can and cannot be used for visit Health Equity's website: www.healthequity.com **Maximum deductions: \$3,550 single, or \$7,100 if married and filing jointly.**

Over the Counter:

Effective January 01, 2011, account holders are required to obtain a physician prescription if purchasing over-the-counter drugs, to be considered an eligible reimbursement expense against an HSA. For more information visit Health Equity's website: www.healthequity.com

****If you are eligible for Medicare and an active employee, you are not eligible to participate in the Health Savings Account feature.**

Health Equity Fee Changes

Effective September 1, 2011, Health Equity began charging a fee of \$1.25 to all MySmartSaver account holders who require paper statements. To avoid this fee log on to your account at www.healthequity.com and navigate to "My Accounts> Statements>Change your statement delivery method.

Effective March 2011, Health Equity began charging an HSA account maintenance fee of \$2.50 per month. This will be waived for the first three statement cycles after a new MySmartSaver HSA account opening.

This \$2.50 fee will be waived for any statement cycle in which the account holder maintains:

- Balance over \$1,500, if an electronic deposit is credited to the account that statement cycle; or,
- Balance over \$2,500, regardless if an electronic deposit is credited to the account that statement cycle.

***Although it may not be needed at the time of purchase, it is recommended that HSA account holders keep prescriptions along with receipts in their records in case they are ever audited.**

Health Savings Account Frequently Asked Questions

Q: Can I participate in an HSA while enrolled in the HMO plan?

A: No, you can only participate in HSA while enrolled in the HDHP plan.

Q: Can I contact Health Equity to cancel my account anytime during the year?

A: No, you are taking advantage of Section 125 of the Internal Revenue Code, which states that you can only make changes to tax-sheltered premiums during Open Enrollment or due to a qualifying event. That's why it is important to carefully estimate before electing an amount.

Q: My spouse is also a City of Baton Rouge employee, can I elect an HSA and he enroll in the Family High Deductible Health Plan?

A: No, the person who will carry the plan has to carry the Health Savings Account.

Q: I am enrolling in the HDHP and I am covered on my spouse's HMO plan that he has with his employer, can I elect an HSA?

A: No, an employee who is covered as a dependent under a comprehensive (PPO, HMO, POS, etc) health plan and elects a HDHP, cannot contribute to the HSA.

Group Universal Life

The Allstate Benefits Group Universal Life product is a flexible premium adjusted life insurance plan, designed with a focus on death benefit amount.

- Premium rates are unisex and either tobacco or non-tobacco; offering employees the opportunity to qualify for the coverage they need.
- Portable coverage. If an employee's employment ends, the insured's coverage can continue as long as premiums are paid to Allstate Benefits
- Flexible optional riders that allow employees to tailor coverage to help meet their specific needs.

Group Voluntary Disability

Group short term disability coverage from Allstate Benefits provides a monthly cash benefit for disabilities due to non-occupational sickness or injury.

Having an income can take a lot of worry out of ordinary every day living. With it, you cover bills, pay for your home and provide for your family. But what if you got sick or injured and couldn't work? How long could you afford life without a paycheck? Would your finances become disabled if you lost your paycheck?

Our disability coverage helps offer peace of mind when an unexpected sickness or injury occurs.

Long Term Disability Insurance

You are eligible for Long Term Disability (LTD) coverage if you are an active employee in the United States working a minimum of 30 hours per week. Your effective date of coverage is 4/1/2017. If you become eligible after this date, please see your plan administrator for your effective date.

Monthly benefit amount: either 50% or 60% of your monthly earnings to a maximum benefit of \$6,000 per month.

Elimination period: You could begin receiving LTD benefits if, after 180 days of disability, you are still disabled (as described in the definition of disability). During the elimination period the disability is considered continuous even if the disability stops (e.g. you return to work full time) for 30 days or less. You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

Maximum monthly benefit amount: Your total monthly benefit (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, your total monthly benefit (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

If you are disabled, participating in the rehabilitation and return-to-work assistance program, and have dependent care expenses, you may also receive the dependent care expense benefit — \$350 per dependent per month, to a monthly maximum of \$1,000 for all eligible dependents combined.

Worldwide emergency travel assistance is included with this long term disability plan. Emergency travel assistance is available to you, your spouse* and your dependent children when you travel to any foreign country, including Canada or Mexico. It is also available anywhere in the United States when you travel just 100 or more miles from home.

* A spouse traveling on business for his or her employer is not covered by the program.

MetLife Critical Illness Insurance

Many individuals have had a family member, friend or acquaintance who has felt the physical, emotional and financial effects of a critical illness: a colleague diagnosed with cancer, a friend's parent who has suffered a stroke, or a loved one who has had a heart attack. Despite having good medical insurance, there are still some expenses associated with a critical illness that most medical plans do not cover.

There is something that can help. MetLife Critical Illness Insurance (CII) is a voluntary benefit designed to complement but not replace your current medical coverage.

If you are enrolled for Critical Illness Insurance, the coverage pays a lump-sum benefit if you experience one of the covered conditions within three distinct categories (as defined in the certificate): certain cancer-related conditions; certain heart-related conditions; and certain other conditions and meet the requirements of the policy and certificate. You may use this lump-sum payment as you see fit to help keep your family finances on track should you experience a covered condition.

During Open Enrollment, you can enroll for a category benefit amount of \$10,000 of CI coverage for you and your spouse* and \$10,000 for your dependent children**

It's really up to you how you use the payment. In the event of a covered condition within any of the categories, you can use the lump-sum payment to help pay for additional expenses that may not be covered by your medical insurance or for any day-to-day living expenses, such as:

- | | |
|---|---------------------------------------|
| Medical plan co-pays and deductibles | Additional childcare or domestic help |
| Prescription drug co-pays and deductibles | Mortgage and rent payments |
| Out-of-network treatments | Car payments |
| Experimental treatments | Utility payments |

For additional information on the CII benefit, visit the City of Baton Rouge open enrollment benefits website or call 1-800-GET-MET-8 (1-800-438-6388) to speak with a MetLife Customer Service Representative, Monday through Friday, 8 a.m. – 6 p.m., EST.

* Coverage for civil union partners and reciprocal beneficiaries varies by state. Please contact MetLife for more information.

** Dependent child coverage and age limitations vary by state. Please contact MetLife for more information.

MetLife Critical Illness Insurance (CII) is a limited group policy. Like most group accident and health insurance policies, MetLife's CII policies contain certain exclusions, limitations and terms for keeping them in force. Product features and availability vary by state. There is a 30 to 90 day waiting period after the effective date of coverage and a preexisting condition exclusion. There is a benefit suspension period between covered conditions in different categories. A more detailed description of the benefits, limitations, and exclusions applicable to you can be found in the Disclosure Document or Outline of Coverage/Disclosure Statement. Please contact MetLife for more information.

Off-the-Job Accident Insurance

Offered by Transamerica Life Insurance Company

What happens if you get hurt?

Accident insurance can help offset medical deductible, help reduce stress and recovery time.

Are we insured for that?

Accidents and injuries can happen at any place at any time. As one of your employer's most important assets, it is important to protect yourself and make sure you can bounce back from whatever life may throw at you. **Transamerica Life Insurance Company's** new AccidentAdvanceSM offers off the job insurance for accidents. It also offers features to promote healthier behavior in general, such as an auto accident benefit that pays more if the insured was wearing a seat belt and has air bags in the car. It is an advancement in accident insurance. It is AccidentAdvance.

Pays in addition to any other insurance and is Guaranteed Issue.
