

Metro-Council Blight Committee Meeting

Join Councilwoman Tara Wicker and members of the Metro-Council Blight Committee for the next committee meeting which will be held on Tuesday, May 8, at 1:30 pm in Room 801, City Hall, located at 222 St. Louis St.

Topics to be discussed will include: the Downtown East Blight Elimination Plan; the EBR Code Enforcement Plan; Blight Court; DDD Dumpster Ordinance; an update on the Gracie Street Community Garden Initiative; as well as the Creative Play Space Initiative.

"I have continued excitement regarding the successful progress that this Blight commitment has made. Several ordinances and policy amendments, along with the development of creative program initiatives have occurred since this group has gotten together. As a result of the work of this committee, the Baton Rouge community should see significant results and a steady decrease in the two-year blight backlog that has existed for far too long," said Councilwoman Tara Wicker.
