Please join Bethel AME Church and Co-sponsor Councilwoman Tara Wicker in celebrating the Closing Ceremony of the 2018 STEM Summer Camp. This annual camp has been a free learning opportunity for 6-12th grade students in the community. The camp is geared towards developing skills in science and math through utilization of fun and educational projects. This year's camp theme was "Our Healthy Louisiana, the Wetlands that Surrounds Us" and the attendance was the largest to date. The week will conclude with attendees' presentation of their projects and a summarization of the week's learning objectives. Please help us support and applaud their efforts and hard work.

Date: Friday, July 13, 2018

Location: Leo S. Butler Community Center
950 E. Washington St.
