

Grand Opening Celebration for the new East Baton Rouge Council On Aging Senior Center

Seniors will have a new place to engage in recreational opportunities, stay active and socialize when a Council on Aging Senior Center opens at the Jewel J. Newman Community Center.

"This is a center that seniors can be very proud of," said board member, Councilwoman Chauna Banks. "It really tells how the East Baton Rouge Council On Aging feels about its senior population. The Jewel J. Newman Community Center is a monthly meeting place for several senior organizations, but this partnership brings in daily activities for seniors in the community to engage."

The new senior center's diverse program selection for adults 60 years of age & up includes wellness and fitness activities, special events, ceramics, and healthy meals.

During the grand opening celebration on August 31 at 10:00 a.m., seniors will have the opportunity to tour the center, meet Council On Aging staff, learn about the programming and share in refreshments.
