

## **East Chimes Street Bridge Ribbon Cutting**

Please join Mayor Sharon Weston Broome and Councilwoman Tara Wicker in celebrating the reopening of the East Chimes Street Bridge. The Ribbon Cutting will be held on Friday, August 3, at 11:30 a.m. at the East Chimes Street Bridge location.

The funding for the replacement of the bridge was provided through the Community Development Block Grant (CDBG), administered by the Office of Community Development Disaster Recovery Unit (OCD/DRU). The CDBG also funded the replacement of the East Garfield Street Bridge and the Taylor Street Bridge, both of which have recently been reopened to traffic.

Currently, there are two additional bridges that are closed for repair – The East State Street Bridge, which is currently under repair, and the Van Buren Street Bridge, on which repairs have not yet begun. Upon completion of these projects, a Ribbon Cutting will be scheduled, which will take place at the Van Buren Street Location. Notice will be forthcoming.
