

Purple Heart Trail Dedication

Join **Councilwoman Denise Amoroso** and Blue Star Mothers - Chapter One for the **Purple Heart Trail Dedication Ribbon Cutting Ceremony** on Tuesday, August 7, 2018, 2 p.m., at the Jones Creek Library, located at 6222 Jones Creek Road, Baton Rouge.

“I would like to express my appreciation to everyone who has made this day possible,” says Councilwoman Denise Amoroso. “It has been through your support and generous contribution that one of Councilman Buddy Amoroso’s special projects has been realized.”

On August 9, 2017, the Metropolitan Council designated Jones Creek Road as part of the “Purple Heart Trail” in Louisiana, a move spearheaded by late District 8 Councilman Buddy Amoroso. The measure directed the Department of Transportation and Development to erect signs at appropriate locations designating Jones Creek Road as the “Purple Heart Trail” to honor military veterans wounded in combat.
