District 5 Community Bike Ride

In an effort to promote healthy lifestyles, educate the community about bike safety, and have an inclusive event for the members of our community to enjoy, Councilwoman Erika L. Green is planning a District 5 Community Bike Ride.

This will be a fun-filled event during which participants will learn bike safety and enjoy a ride to music. There will also be a bike decorating contest, swag bags and additional giveaways. We invite all to participate individually or with a group. Please contact Kaia to reserve a bike and to register your participation.

The event is FREE and open to the public for ALL ages! We encourage everyone to attend.

Hosted by Councilwoman Erika L. Green and the Charles R. Kelly Community Center in partnership with BREC, CareSouth, BRPD, Claiborne Elementary, TRUCE, Healthy BR, Carolyn Hill, Squeak, Realtor Richard Spears and the BR Sheriff's Department.
