The ride will take place on June 29, 2019, at Pointe-Marie, located at 14200 River Road. This ride is open to families and serious cyclists, with two ride events. "Untimely passing of Dad/Buddy, we thought there'd be no better way to honor his memory, than with a community Bike ride. He worked closely with Louisiana Key Academy, because of his childhood struggle with dyslexia; he wanted to see children with learning difficulties thrive. The proceeds for The Buddy Ride will go to Louisiana Key Academy to help kids just like Dad/Buddy go on to great success," says the Amoroso Family.
