

Toys for Tots – Angel Tree

Councilwoman Erika L. Green, in conjunction with The Charles R. Kelly Community Center, will host its annual Toys for Tots-Angel Tree to assist families with Christmas gifts. Eligible families who have completed applications will receive items based on need. Families must meet approved guidelines.

Donors are asked to adopt an angel or donate toys. Hundreds of families have been assisted during the holidays through this community effort. In response to the current requests, the following items are still needed: bikes for all ages, baby dolls (large and small), teen-appropriate gifts, video game gift cards, toddler educational gifts, and other assorted toys.

What: Toys for Tots/Angel Tree Event
