

“Love Our City” Graffiti Removal Day

Join Councilwoman Tara Wicker and Treuil Montague of M&M Industrial and Clear Blast Equipment for the “Love Our City” Graffiti Removal Day of Service on Saturday, February 15th from 10:30 a.m. to 2:00 p.m. Citizens from all over the parish will gather together for a time to show our city some much-needed LOVE on Valentine’s Day weekend.

“Our city has been plagued with the horrible onset of visual litter through a sea of graffiti. This is our opportunity to step up and finally do something about an unsightly issue that we all have been talking about,” said Councilwoman Tara Wicker.

Interested citizens and volunteer organizations should call (225) 389-5140 to sign up to serve and report to the parking lot of Sacred Heart Church at 2250 Main St. to pick up supplies. Donations of paint, gloves, and brushes can be dropped off at The Leo S. Butler Center at 950 East Washington St.

For more information, please contact Councilwoman Tara Wicker at (225) 317-1849 or Jeff Corbin, Legislative Assistant, at (225) 389-5140.
