

**Beauregard Town was designated a National Register Historic District in 1983, but it is not a Local Historic District.**

**What does that mean?**

**National Historic District**

- Provides tax incentives for renovations and rehabs
- Honorific, not regulatory

**Local Historic District**

- Protection of neighborhood character
- Strengthened property values
- Regulations determined by neighborhood
- Additional protection against blight

**What will this mean for my property?**

- You decide! Beauregard Town won't become a Local Historic District without your input and support.

**How can I learn more about the work being done?**
