

# Cloth Masks Distribution to Baton Rouge Residents

As COVID-19 has impacted Americans' daily lives, and in keeping with CDC recommendations that everyone wear masks in public, Councilwoman Tara Wicker, with the support of Senator Bill Cassidy, [AllBrands.com](http://AllBrands.com) Owner John Douthat, the Baton Rouge Area Foundation, and Down to the Wire Event Planning, will distribute 1,000 cloth masks to Baton Rouge residents on Saturday, April 25th from 11:00 a.m. to 1:00 p.m. at Lighthouse Christian Fellowship Church, 1564 Nicholson Drive, across from Enterprise Car Rental.

The lack of availability of masks to the general public has prompted us to take action to ensure that all are protected and able to protect others from contracting the COVID-19 virus.

Councilwoman Wicker said, "This is a very trying time for all of us. Providing these masks is our way of doing our part in helping to keep our community healthy and safe. With the anticipated relaxing of some segments of the governor's 'Stay-At-Home' order, and the recommendation for everyone to wear masks in public, the availability of mask is critical now more than ever."
