

DISTRICT 7 FOOD AND MASK DISTRIBUTION

**MLK COMMUNITY CENTER, 4000 GUS YOUNG AVE.
TUESDAY, AUGUST 11, 2020 @ 9 AM**

During these challenging times, families are in need of support. We have partnered with the Baton Rouge Food Bank to provide food, along with masks donated by State Representatives Larry Selders and Ted James. Langston Galloway of the Detroit Pistons wanted to contribute in order to do his part to support the community that raised him.

Our hope is our small gesture will help some families in need as we continue to manage our way through this COVID pandemic. Councilman Cole is encouraging the constituents of District 7 and the residents of Baton Rouge to come out!

STAY SAFE AND MASK UP!
