

FOOD AND MASKS DISTRIBUTION DISTRICT 7

**Madison Preparatory Academy
2269 North 17th Street
September 26, 2020 @ 7:45 a.m.**

During these challenging times, families are in need of support. We have partnered with the Baton Rouge Food Bank to provide food along with donated masks. Special thanks to our community partners State Representatives Larry Selders, Ted James, Langston Galloway, the MLK Community Center, and the National Guard.

Our hope is our small gesture will help some families in need as we continue to manage our way through this COVID pandemic. Councilman Cole is encouraging the constituents of District 7 and the residents of Baton Rouge to come out!

STAY SAFE AND MASK UP!!!
